

PENTASTAR

President

April, time to clean up your cars for summer ! posting pics from Laysons, Griots on Facebook if you want to be in pics go to Tech Sessions ..see you at the next meeting your pres Dave Eckman

Hello from your treasurer

Hope everyone is doing well now that Spring is almost upon us. I have really enjoyed the few days we have had sun shine--I'am definitely solar powered.

I've even been out doing a little yard work the past few days. I was glad to see a good turn out at the last meeting. Hope some more of you will be showing up soon.

We placed an ad in the Ranger Newspaper hoping to recruit some new members. Our ad will run for six months in an insert called the Welcome Guide that will be handed out to all inbound personal at Joint Base Lewis McChord.

As of our last meeting we have \$1458.00 in our checking account and \$1000.93 in our saving account.

Hope to see you at our next meeting.

Sharon Eckman Treasurer

Secretary

The meeting opened up with the addition of one new member, Dave Carver who owns a 63 Plymouth Valiant and one renewal Mark Rice with his 71 Hemi Cuda Convertible. That brings our membership up to 58 Then Sharon Eckman informed us that our add was going to be in the Ranger Newspaper for one month but had no more information on a credit card machine for Sunbust. Jen said a stamp machine set-up would be expensive the first year so the officers would discuss it more. Dave said the Carpenters Hall may not be available for the Christmas Party but we would be able to have it at Lemays. Kyle talked about the event at Laysons and Dave Laysons court battle with Chrysler. Our next event is at Horse Power Ranch April 2nd in Black Diamond , Dyno Day. They will have a barbeque and lots of horsepower on stage. We will let everyone know at Aprils meeting Who had the most horse power and everything that went on. We had the raffles and adjorn the meeting at 8:30 Your secretary Diane Carlson was sick so I Kyle Leftwich took over for her. All of us at the meeting wishes her a quick recovery so get well soon Diane. Hope to see you at the April meeting . One more topic that I now have dates for is on April 23rd is Bremerton Raceways opening day, 1st Car Club Challenge and on April 24th the 1st points race. Pacific Raceway opens on April 16th, 1st points race. See you all at Aprils meeting.

Membership

I'm so excited, I came home today and I have a new dishwasher. I know this has nothing to do with the car club but I'm thrilled since I haven't had one in 2 years, exciting for me.

Any who, how about that Mopars Unlimited? We already have an awesome set of members and are still getting new ones signing up each month. I would like to welcome back Mark Rice who was at our club meeting this month. It was great to see him and catch up (and p.s. I would still trade him cars). We also got a new member, Dave Carver. Welcome to the club Dave. He brings a beautiful 63 Plymouth Valiant 2 door hardtop . And he even drove it to the meeting. Its nice to see some people who don't mind getting their cars a little wet. And with our Mopars Unlimited add in the For Lewis Ranger I would expect to be getting even more new additions to the club. Great job Sharon for researching that, what an awesome idea.

Thats all from me this month, thanks a ton everyone, I'm already having an awesome year with all of you. Till next time, Keep the Rubber on the Road everyone.

As Always, your membership director, Jensene Linenko... jlinenko@gmail.com...

Events

Well, it looks like we have another cold lousy month behind us. That means we are now just a bit closer to summer and cruising season. I hope everyone has their cars all set up in order, and ready to get cleaned up. I hope everyone got some good tips from the tech session at Griot's Garage. Hopefully this gets out soon enough, and I apologize for not putting it in sooner, but there is a Dyno day put on by the Car Club Challenge at the Mustang Shop in Auburn on April 2nd at 8AM, it will be \$70 for three pulls and it is pretty much the first CCCA event of the year. They will be doing a club competition, whatever team has the most accumulated HP is the winner. I know you all think I am blasphemous for even stating the name of the pony, but they are the largest sponsor for the CCCA and it was a good time for our club members last time we went out. They will also have a BBQ for all who show up as well. Finishing quickly on CCCA news, the first drag race will be April 23rd at Bremerton Raceway, one day after they open up the track to racing.

As for the real business, our monthly event will be a tour of Duncan's speed and custom shop in Lakewood. They are mid way through mating a 1955 Studebaker President to a 2009 Dodge Charger AWD. This event will be on April 16th at noon, address below.

For our meeting we will be getting a presentation from Hagerdy insurance, after talking with them, I have been swayed and once big blue is on the road I will be using them for my provider, be sure to come out and check them out.

As for swap meets, all the local ones have come and past. I hope everyone got what they needed, I know I didn't. There is one left in Mt. Vernon for those who want to take the trip, on April 16th, and for those who haven't been to Portland, I recommend that you take

the trip at least once, it is amazing and huge swap meet. That one actually starts on March 31st and rolls on to April 2nd.

SUNBUST

With April upon us, we are progressing very well and getting ramped up for advertising of the show. To date, we have the artwork pretty much finished up, just a few more tweaks and it will be ready. By our next members meeting we will have flyers ready for everyone to take and spread out to the masses. Tami brought up a good idea and with the minimal cost I should have business cards for the show as well so all our members can hand them out to people as well.

Our sponsor situation is good too, I am always looking for more sponsors to help out, this year we did lose a few sponsors, but gained one or two as well. Please keep your ears

open for places that are looking for good advertisement, we will be putting large sponsors logos on our shirt in color this year (good selling point).

I plan on setting up a final meeting for Sunbust in May to make sure we have all our ducks in a row (Mark, get a hold of me for a good date). To this point though, I think everything is well on its way for us to have a good show. Oh and I hear that this summer is supposed to be hot and dry, lets hope we don't get any cloud cover for the show this year.

Classifieds

For Sale 69 dodge pickup it is lowered with 318 with a 4 on the floor. New brakes, new tires, new starter, and alt. It has a holly 4 barrel carb. It's a good truck I'm looking to sell it for money to build my 1950 shoebox. I'm asking \$2500.00 obo or trade for build 302 or other parts to help me build my shoebox.
