## President

Well another month has passed us by. can't believe the Sunbust is upon us. We had a good turnout for our meeting. We all now what we have to do for the Sunbust. We still need volunteers for the show. It is so wonderful how the club is working together Thanks to all that have worked on the Class signs. See you at the meetings.

## Secretary

Called to order by president Dave at 7:30 pm. 22 members were present. Jen gave report on events, Sunbust and membership. Volunteers continue to be needed for Sunbust duties. Call Jen or Chris P to participate. Member projects were discussed after Tom from Rocket Restorations made a presentation and update on the new speedway and events center in Shelton. Meeting was adjourned at 8:15 pm. Keep on rolling Diane

## Membership

Has anyone realized how close we are to Sunbust? Holy lord we are about 4 weeks out which is frightening in one instance and awesome in another. Its been a busy month preparing for the show, getting raffle items, pulling together sponsorship dollars, and figuring out the odds and ends to make this yet another great show. The meeting was a full one packed with old new members alike. I would like to welcome Jason to the club who brings with him a '67 Dodge Charger. And good luck to him in finding those parts that he needed. Also a welcome to James and Shawn who are still in the process in putting together at 1971 Dodge Challenger. You guys will make my old man so jealous, he dreams of an old Challenger to go along side his new one. That puts our membership at 70 members so good job everyone, way to get the word out there about this awesome club we have.

That's all from me but any questions, comments, problems, or concerns just let me know. Till then, as always, from one Mopar lover to the other, keep the rubber on the road.... Jensene Linenko.... [jlinenko@gmail.com](mailto:jlinenko@gmail.com).... 253-255-4939

## Events

Happy August everyone, the summer schedule is in full effect, I hope you are getting your Mopar muscle out there and showing it or racing it... on the few sunny days we are getting. Obviously the main thing on my mind this month is our car show. We could use all the help we can get, I truly hope most of you can make it and help out for the show. Now on to all the other events of the month, First is the two other local Mopar shows, August 7<sup>th</sup> All Around Mopars out in Bremerton are having their annual Mopar Magic show, once again it will be in the Lowes parking lot, and looks to be a good time. August 14<sup>th</sup> Northwest Mopars Unlimited up in Skagit County will host their annual Summer Sizzler show, If you want to take a cruise and have an AMC, the AMC Rendezvous will be hosting their annual show at the Swiss Sportsmen's Club Park in Bonney

Lake on August 27<sup>th</sup>. As for Drag Racing, NHRA will be in town again for their "Western Swing" from August 5<sup>th</sup> to the 7<sup>th</sup>, I look forward to seeing you out there on the 6<sup>th</sup>. For smaller scale racing, we have another CCCA event at Bremerton on August 13<sup>th</sup>, and the All Mopar Drags the next weekend at Bremerton as well, to close out the month; at Bremerton they will host a Nostalgia Drag race on the 28<sup>th</sup>.

Now to the meat of our special dates, our Officers meeting date will be moved to August 4<sup>th</sup>, at the same normal time and normal place. The Members meeting will be on the proper date, August 17<sup>th</sup>, but will be moved to 6:30 PM, so we can start some goodie bag stuffing. August 20<sup>th</sup> will be the all Mopar Drags in Bremerton, I will be out there for a bit, and am working on manning a tent to see if we can get more members. Right after I lose.... Well maybe not that early, I will be heading out to Frontier Park, The plan is for us to meet up on the 20<sup>th</sup> at about 6:30 PM to set up the park for the show. Then obviously the big one, August 21<sup>st</sup>, we will be hosting the show. The more members we have to help, the easier it all works out. Registration will begin at about 9AM and the trophies will be awarded from 3:30 to 5 PM, with a quick tear down, hopefully we can be out of there by 6 or 7, and afterwards we will all meet up at the Round Table Pizza on 160<sup>th</sup> and Meridian for Dinner provided by the club. I hope you can come out to some of these great events and look forward to seeing you at the show.

## Sunbust

Happy August everyone, I hope everyone is prepared for the show! Yes, it is finally here, after all this build up and waiting, the month of months is here. Everything is set and prepared; all we need now is you to come help with the show, and for cars to arrive. Let's hope for good weather, with this summer it looks like it will be a crapshoot on that one. Well we are pretty much ready for the show, by Aug 5<sup>th</sup>, the trophies will be ready, and soon afterwards the T-Shirts will be ready. The Officers meeting has been moved to Aug 4<sup>th</sup> at 6 PM at my house, just so we can run down the list of everything needed for the show, and the members meeting will be moved out to the park on its normal scheduled day, Aug 17<sup>th</sup>, but will start at 6:30 PM, this will be a quick rundown of show prep, but mainly goodie bag stuffing. I am also looking for help at the park on the evening

of Saturday the 20<sup>th</sup>, we will start at about 6:30 PM as well, this is needed so we can set up class signs, pop up tents and tables.

Like I said last month, we have to go with a new concessions lady that has a contract with the park. Mark has told me everything is pretty much ready for registration. I have heard word that Tom Layton will be working our swap meet this year again as well. We have cleaned and repainted items that have gotten lots of wear over the years also, all in all, this looks like it will be a good show and with everybody from the club helping, we can make it a great show. I thank all the people who have helped up to this point, this is truly a group effort, and with just a little more work we can have a great time out there.
