# PENTASTAR

## *Dave's MOPAR Minute:*

Happy New Year! Can't wait until winter is over for car shows, swap meets, drag racing ,strip poker runs...

LOL & see you at the next meeting.

Your pres, Dave Eckman

*What ? Me worry.... Never ! ( answer to question on back of this newsletter. )  
Thanks Dave for the photos... Remember I can print only what I have.*

*Your Editor*

### ***From Jen's Notebook :***

Well hello everyone and a Happy New Year to all. Hope everyone had an awesome Christmas and that the New Year brings you much joy. I feel almost a disconnect from the car club right now since I haven't seen anyone since the Christmas party. Sorry I had to cut it short but I had to go to a work Christmas party that night too... and they pay me... so... enough said.

Anywho, with a new year comes some things to remember. Make sure to send me an undated registration form whether you are a new or old member. I try to keep my paperwork and membership roster up to date as much as I can. You can find the registration form on our website, [www.moparsunlimited.org](http://www.moparsunlimited.org). Or you can always come to a meeting where there is always membership forms (and great people).

And just an update for anyone who didn't know, we have decided to keep the show this year at Frontier Park on the same weekend as we did this last year. (In case you weren't aware we had talks of moving the show to America's Car Museum and changing the date. For now that's not happening but in the future who knows.)

That's all from me this time but until I see or talk to ya'll again.... take it easy and keep the rubber on the road...

Mopar love always... ***Jensene Linenko***

### ***Up and Coming Events from Chris Pfaff :***

Welcome to 2012, hopefully it will be a fun and exciting year Mopars Unlimited. With 2011 heading out, I think we can honestly look back and think of it as a decent year despite many economic issues some of our members have had to face. We had a near record number of cars at Sunbust, many good events and some good club participation on many events. I do hope for us to get more participation for this year though.

Here are some of the ideas members have given to me and some that I am looking at. A poker run possibly with the LX group, a tour of the new Ridge Motorsports Park in Shelton, WA, a cruise to Mt Rainier possibly with the LX Group, a cruise to Leavenworth with the All Around Mopars club, as well as many BBQ's and cruise in's as possible. And don't forget we still have drag racing as well. I also have a few more events held up my sleeve, so make sure to keep that Mopar running and ready for some action.

As for other fun stuff, we have new officers. I would first like to thank the officers that are stepping down. If it wasn't for their hard work and dedication, we wouldn't have had such a good year. I just hope Diane knows she better be at the show next year to help

this time around.

As for new officers, to replace Diane Carlson, Jen Linenko was voted in for secretary. I think word got out that she has good handwriting. To replace Robin Leftwich in the newsletter position, Rick Bacon was elected to man that task. Chris Thibodeau moved from his position of Sgt. At arms to the club store, finally ending Don Muellor's 18 year tenure at the club store position. To replace Chris' empty spot, Steve Lemke was voted in, and I think he will be a good asset to the team.

As for upcoming events, its still winter so there isn't much going on around the area. For us we have our officers meeting on Jan 11th, with our general meeting on Jan 18th at Round table pizza. For our monthly event we have been given the opportunity to take a tour of Flex-A-Lite fans, unfortunately the only time I have been able get is during their normal production hours. The event will be held on February 1st at 2:30PM. The location is 7213-45th St Ct E, Fife, WA 98424, this is off of 70th Ave near the Puyallup River.

I do want to remind everybody of some of the early February events. At the Puyallup Fair, they will be starting up their swap meet season again, and the first one is the Corvette and high performance swap meet. That will be Feb 4th and Feb 5th. Later in the month there will be another swap meet, but I will leave that for next month. I need something to talk about then.

Jan. 11	7:00PM	Officers Meeting	7031 Tacoma Ave S (my house)
Jan. 18	7:30PM	Monthly Meeting	Round Table Pizza on South Hosmer
Feb. 1	2:30PM	Monthly Event	Flex-A-Lite Fan tour - 7213-45th St Ct E, in Fife, WA 98424
Feb. 4-5	Sat 9:30 - 4 & Sun 8 - 2	38th Vette & High Perf. Swap Meet	Puyallup Fair

With the New Year comes new excitement for Sunbust. This year will be our 27th year of doing the show. Once again, we all need to thank all the members who got this show organized and set up as well as it is. Hopefully we will have the help and ideas to keep it a good exciting and progressive show for this year as well. I am looking at having a meeting in early February to look at ideas on how to better run the show, and to set up a detailed timeline for getting things done.

I did get a letter from Pierce County parks a few days ago, we are set for August 19th and the park needs to be paid \$925 for the use by January 20th. I would like to thank Don Nuttbrock for getting our show information on the good guy's calendar. I have worked over the past few months to get our info out on some local web pages. If you have any ideas of where we can advertise please give me a heads up and I will search them out.

That's all I have for now. We look forward to seeing you at the monthly event and the meeting.
