

PENTASTAR

President

Well summer is finally here. I expect to see more classic Mopars at the monthly meeting. Speaking for Dave and myself, I know I will drive my Dart to the meeting We could use more mopars at the Car Club Drags., GM is really coming at us with a lot of cars. But we are holding our own. If you would like to participate or come out just to cheer us on call Chris, Dave or myself Kyle to get information on the day and time and the location of the races. Keep your eyes on the monthly newsletter for events. I Know Chris is planning a lot of fun events for each month. Not that you need an excuse to drive you mopar and show it off. But what way to show it off with a cruise with your friends and car club buddies.

I don't know if anyone noticed those test billboards over I 5 that had the alphabet on them. But if you looked at the bottom far right line it said mopar the last letters were actually mnopar. Anyone who needs car show flyers to pass out call me Kyle or Robin (507-5333) well that's all for now. Hope to see ya all at Junes meeting.

Well hello everyone and a happy June to you and yours. I'm sorry to make this short and sweet but it has been a very busy month and I've been on vacation for the past week so I'm still kinda sorta mentally checked out (not like its any different from any other day). As of now we have 66 members so thats pretty awesome everyone, way to get out there and spread the good word of Mopar to all that will listen. With the show coming up in a few months now is a great time to be out there passing out fliers and getting the word out about Sunbust this year. We are getting stuff sent to us all the time from people donating stuff to fill the goody bags. If you know anyone who wants to add to our goody bags feel free to tell them its for an awesome show and a great way to help advertise for their business. I'm really looking forward to our little Show N' Shine at Mt. Tahoma High School where we will be proudly sponsoring Relay for Life. Bring your car out and help raise some money for this awesome cause.

Enough from me... as always... with Mopar love... Jensene Linenko... jlinenko@gmail.com... 253-255-4939

Sunbust

Ok, lets see here for June. Once again the show is well on track, we have our final copy of fliers set and printed. Make sure to pick up as many copies as you need and please pass them out, we need all the help from our members for this. If you have any companies that you think would like to donate for raffle, now is the perfect time to hit them up, to this point it looks like we may not have as many items as last year. As for T-Shirts and trophies, they are still both coming along well, and are on track, I am looking forward to picking up the shirts soon and getting a good look at them. Don and I will be picking up the sponsor money for the month of June so our account will be filled up and ready for show season, and Sharon is hard at work getting a card reader for show items. Thats about all I have for now, I will give you a more detailed update at the general meeting.

Events

Well, the long days of a Washington summer are upon us, even though the weather is still struggling to realize that it is supposed to be warm I have been able to get the Challenger out a few times this month, I hope everyone has had a chance for some cruises themselves as well. I hear from our President that the Austin car show and poker tournament was a great time by all who attended, and

Mopars Unlimited had a warm reception. I just wish I could have been there. As for the Car Club Challenge, I hear there was a decent turnout at Pacific on the 20th, and the Mopars had a good time as well. Im not sure how the Mopar Drag Team actually ended up though. For June we have many shows, cruises, drag races, and a BBQ. I will attempt to take someones advice and put a calendar below, but I will start with a rundown. First is our Monthly event, which will be a Relay for Life show put on by us, in an impromptu way, with only one award, and only 100 spots available. The registration is \$10 and is for a good cause so I hope many of you can come out and play. It will be held at Mt. Tahoma High School on June 11th at 9:00AM, there will be lots of other events due to this being a 24 hour event that will start at 6PM the night before. So if you are looking for a car show with kids activities, here is your chance.

For a monthly BBQ, Paul Goyer has provided his outstanding property at 6302 123rd St Ct E, on South hill June 23rd at 1PM. This will be a potluck as well and I will make sure to bring out some Sunbust items for us to set up as well. Just as before, if the weather calls for massive rain, it will be called off. For Drag racing we will have the 3rd CCCA event at Bremerton on June 4th, and the second CCCA for Pacific raceways on June 17th, and 3rd CCCA event for Pacific on June 24th. With each of the big three now having full teams, competition is getting heated and we are looking for all the help we can get.

As always, our officers meeting will be on the second Wed of the month, June 8th, and the Members meeting will be on the third Wed. June 15th.

For other Mopar shows, on June 12th, in Yakima, they will be having their annual "Funshine" car show, and last but without a doubt not least, the Seattle

Chapter of Mopars Unlimited will be having their Spring Round up at Mariner High School in Everett. For a list of other shows, look below.
