## President

Happy November to everyone. Hope everyone had a safe Halloween.

We have a lot to look forward to in the next 2 month. Before long Christmas will be upon us. Come to the meeting and we will discuss the Christmas party. Hope that everyone enjoys the few sunny days we have left this year. The weather can't make up its mind what it's going to do. Take care have fun be sale.  
Your President

Dave Eakman

## Membership

Well hey everyone and a Happy November to you all. I love this time of the year, the season is in full change mode and the leaves are the most beautiful colors. And those gorgeous crisp fall days.... I can't get enough of them. With that in mind I would like to remind everyone that December is just around the corner, which means the Christmas party, is rapidly approaching. Check your newsletter for time and date.

So as of now, with the year rapidly coming to an end, we have 76 members. Some new, some old (no offense guys), but all with the right idea, MOPAR OR NO CAR. I love that everyone brings different to the club, new ideas, reminders of how great the club is, inspirations, and just an all around good time.

With that in mind we also have started Officer nominations for the New Year. If you, or someone you know in the club, would like to hold an Officer position please let one of us know so we can throw their name into the elections for 2012. The voting will be done, just like every other year, at the Christmas party.

Well guys and gals that's all from me this month, until next time, keep the rubber on the road (or your car in the garage considering the weather).... your membership director... Jensene Linenko... [jlinenko@gmail.com](mailto:jlinenko@gmail.com)... #253-255-4939

## Sunbust

Happy fall everyone; It looks like Sunbust will be staying at its current location. That's right, we had our vote at the last meeting, and it was in favor of keeping our show at Frontier Park, and keeping it a gem of the Northwest. It was a good meeting with many people of experience giving their advice about where we should, or should not go with the show. It was decided that there are too many unknowns as of right now with America's Car Museum, and to even think about a two day show right now is crazy. Now comes my fun part of the job, finding out where to cram all the cars on the show field at Frontier Park. At the first of the year we will start ramping up on projects and fun stuff that needs to get done for the show; I hope we can get some good help. Until then, thanks for the support.

## Events

Happy November everyone! Well, as I write this, we still haven't done our Delta Cam meeting, but I know without a doubt that it was a great event. Now on to the next month. For November, the Olympic Vintage Auto Club will host their annual swap meet at the Kitsap County Fairgrounds. This will be Nov 5 and 6 with a \$5 admission, it looks to be a good event to pick up some memorabilia and parts for your winter project. As for the club, we will have our Officers meeting on the 9th at my house, and our members meeting on the 16th. Our monthly event will be on the Afternoon of Black Friday, we will have a meet at 2:00PM at the Wal-Mart on South Hill to help out the Marine Corps League and Toys-For-Tots. They helped us a ton with a large food donation for the show, and I thought it would be good to help them out. I am still working on getting the day off myself for the event, and possibly setting up a cruise. I will have more info on that at the meeting. As for the Christmas party, we are well on our way to the event. It will be held at Griots Garage on 38th St and Union Ave, where the old coke a Cola building was. Sharon will send out a postcard with details for the event. And remember; change your clocks on the 6th.
